

RE: ARGUSCONNECT BUSINESS TAKEN OVER BY DATABASE CONSULTANTS AUSTRALIA

I wish to advise all our valued clients that effective from 20th May this year all the business operations of ArgusConnect have been acquired by Database Consultants Australia, Melbourne (DCA). All Argus business will now be operated from their wholly-owned entity Argus Connecting Care Pty Ltd, ABN 25143576881.

DCA is a respected IT product and services company that has been operating since 1993 and which has business units providing IT products in research project management, data management, human services case management, civil compliance and e-Health.

The takeover of the Argus business provides our users with the security of knowing that Argus has solid backing to continue to grow its products, customer support, and market. This will contribute to ensuring the strength of Argus into the future for all healthcare providers in Australia.

Please be assured that DCA have committed to Argus continuing its current business directions. This means we will continue to operate from our Ballarat offices, our staff will only change in a normal evolutionary manner, and we remain committed to eHealth Standards and national eHealth strategies such as those steered by NeHTA, the Commonwealth and the States.

All client licences and agreements have been novated to Argus Connecting Care and all conditions and obligations will continue to apply with full continuity under the new entity.

Please be aware that our banking details have changed and any payments should now be made to the following account:

BANK: NAB
NAME: Argus Connecting Care Pty Ltd
BSB: 083 004
ACCOUNT: 173974209

I thank you for the support that you have given us in the past as a valued ArgusConnect client and invite you to continue this exciting journey in e-Health with our Argus team and our colleagues at DCA.

Yours sincerely,

Ross Davey
General Manager
